Inspired by NASA and Star Wars™, our Space Adventures Camp is packed full of models that will make your imagination blast off! Each day, campers will learn about real-life space exploration and build models related to the NASA space program. In addition, the day includes LEGO® Star Wars™ themed models, video games, group games, challenges and more. Bricks 4 Kidz Space Adventure camp provides the spark for imagination and creativity to take off on an adventure that's out of this world!

Superhero Academy And Remote Control Mania (7/25 - 7/29) 1:00 – 4:00 pm

Join Bricks 4 Kidz camp for a week to enjoy two of our best camps combined in one. Campers will be building Superheroes with LEGO® bricks and superhero vehicles controlled with wireless remote controls. Together, the campers will create a fantasy world and protect it against all the evil arch enemies with custom contraptions made with LEGO® bricks - both motorized models and 3-D superhero figures. Each day, campers will also use fascinating and challenging LEGO® components to create dynamic vehicles, inventions, machines and more. Campers will also learn how to magnify, diminish and redirect force to move objects at different speeds and in different directions. This camp is loads of fun and learning for budding builders.
