

# Township of Springfield

COUNTY OF UNION  
STATE OF NEW JERSEY  
ESTABLISHED APRIL 14, 1794

REDWOOD ROAD  
SPRINGFIELD, NJ 07081

12/21/2016

Dear Alarm Registrant,

Please be advised that as per Springfield Township Ordinance Chapter 17-14, all residential and commercial burglar alarms must be registered annually with the Springfield Police Department. The Springfield Police Department appreciates the efforts made by citizens of Springfield to assist in crime prevention by utilizing alarm systems. By registering your alarm, you assist the Police Department in maintaining a database of emergency contacts in the event of an incident so that we can assist you as quickly as possible.

To best protect and serve the community, police officers will respond to alarm activations. The instance of repeated alarm activations results in the reduction of police services and availability to the community as a whole. The Township will allow up to three (3) accidental activations per calendar year. Additional activations will be subject to penalties.

As part of the Township's efforts to go digital, burglar alarm registrations and fees will now be processed online at no additional cost via credit card at <http://alarms.springfield-nj.us>. Registrations must be submitted by January 31, 2017.

Failure to register your alarm is considered to be a violation of the above Township Ordinance and may result in late fees and the issuance of a summons by the Springfield Police Department.

If you no longer have an alarm at this location, or should there be any changes to the information you have provided on your registration form after it has been submitted, please email the Springfield Police Department Record Bureau immediately at [police.records@springfield-nj.us](mailto:police.records@springfield-nj.us). Thank you for your cooperation in this matter. Happy New Year!

Date & Time	Transaction #	Incident #	Summon #	Activation #	Action	Amount Due
